(1) I walk a lonely road, the only one that I have ever known
             G              Dsus2            Asus2          Emi
    Don't know where it goes, But it's home to me and I walk alone

            G                Dsus2        Asus2           Emi
    Where the city sleeps, And I'm the only one and I walk alone

    Sometimes I wish someone out there will find me
 C       G      E/D

           G           Dsus2           Asus2         Emi
    On the border line of the edge and where I walk alone

 Emi       G               Dsus2                Asus2            Emi
(4) Read between the lines What's fucked up and everything's all right
            G               Dsus2           Asus2             Emi
    Check my vital signs, to know I'm still alive  And I walk alone

(R1),(R2)I walk alone..
