 (1) I hurt myself today
        C      D       Ami
     To see if I still feel
       C     D      Ami
     I focus on the pain
         C    D            Ami
     The only thing that's real
         C      D       Ami
     The needle tears a hole
         C     D       Ami
     The old familiar sting
            C       D    Ami
     Try to kill it all away
             C      D    G
     But I remember everything

     Ami            F
 (R1)What have I become

     In the end
         Ami                F
     And you could have it all
     G
     My empire of dirt
     Ami             F
     I will let you down
     G
     I will make you hurt

       C         D        Ami
 (2) I wear this crown of thorns
      C      D      Ami
     Upon my liar's chair
     C       D      Ami
     Full of broken thoughts
     C    D     Ami
     I cannot repair
       C         D         Ami
     Beneath the stains of time
         C        D    Ami
     The feelings disappear
     C       D       Ami
     You are someone else
     C    D           G
     I am still right here

    A million miles away
    Ami             F
    I would keep myself
