

- Hmi**
(1) Hello.
Hmi **A**
Is there anybody in there?
G **Emi**
Just nod if you can hear me
Hmi
Is there anyone home?
- (2) Come on, now
I hear you're feeling down
Well I can ease your pain
Get you on your feet again
- (3) Relax
I need some information first
Just the basic facts:
Can you show me where it hurts?
- D** **A**
(R) There is no pain, you are receding
D **A**
A distant ship's smoke on the horizon
C **G**
You are only coming through in waves
C **G**
Your lips move but I can't hear what you're sayin'
D **A**
When I was a child I had a fever
D **A**
My hands felt just like two balloons
C **G**
Now I got that feeling once again
C
I can't explain, you would not understand
G
This is not how I am
A **G** **D** **A**
I have become comfortably numb
- (4) OK,
just a little pinprick
There'll be no more -- aaaaaahhhhh!
But you may feel a little sick
- (5) Can you stand up?
I do believe it's working, good
That'll keep you going for the show
Come on, it's time to go
- (R) There is no pain, you are receding
A distant ship's smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're sayin'
When I was a child I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it now
The child is grown, the dream is gone
I have become comfortably numb
