 (1) It's been a hard day's night, and I've been working like a dog
                       C     G                    F                 G
     It's been a hard day's night, I should be sleeping like a log
                 C                              D7
     But when I get home to you, I find the things that you do
                    G    C  G
     Will make me feel al-right

 (2) You know I work all day, to get you money to buy you things
     And it's worth it just to hear you say, you're gonna give me
everything
     So why on earth should I moan, 'cause when I get you alone
     You know I'll be okay

               Hmi   Emi                        Hmi
 (R) When I'm home, everything seems to be right
               G     Emi                        C      D
     When I'm home, feeling you holding me tight, tight, yeah

 (3) It's been a hard day's night, and I've been working like a dog
