(1) I once had a girl or should I say, she once had me
                                          C    G    D
    She showed me her room, isn't it good, Norwegian wood
        Dmi                                        G
    She asked me to stay and she told me to sit anywhere
        Dmi                                        Emi   A7
    But I looked around and I noticed there wasn't a chair

(2) I sat on a rug biding my time, drinking her wine
    We talked until two and then she said: ``It's time for bed''
    She told me she worked in the morning and started to laugh
    I told her I didn't and crawled off to sleep in the bath

    D                                  C         G   D
(R) And when I awoke I was alone, this bird had flown
                                     C    G    D
    So I lit a fire, isn't it good, Norwegian wood?
