(R1)Hey, Mr. Tambourine Man
    G               Emi
    Play a song for me
             G
    I'm not sleepy
             C                    D
    And there ain't no place I'm going to

(R2)Hey, Mr. Tambourine Man
    G               Emi
    Play a song for me
          G              C
    In the jingle jangle morning
             D7        G
    I'll come following you

             C                   D7
(1) Though I know that evenings empire
         G            Emi
    Has returned into sand
      G              Emi
    Vanished from my hand
           G                 C
    Left me blindly here to stand
                 D7
    But still not sleeping

(2) My weariness amazes me
    I'm branded on my feet
    I have no one to meet
    And the ancient empty street's
    Too dead for dreaming

(3) Take me on a trip upon your magic swirling ship
    My senses have been stripped
    My hands can't feel to grip
    My toes too numb to step
    Wait only for my boot-heels to be wandering

(4) I'm ready to go anywhere
    I'm ready for to fade
    Into my own parade
    Cast your dancing spell my way
    I promise to go under it

(5) Though you might hear laughing, spinning
    Swinging madly through the sun
    It's not aimed at anyone
    It's just escaping on the run
    And but for the sky there are no fences facing

(6) And if you hear vague traces of skipping reels of rhyme
    To your tambourine in time
    It's just a ragged clown behind
    I wouldn't pay it any mind
    It's just a shadow you're seeing that he's chasing
```

(7) Take me disappearing through the smoke rings of my mind
Down the foggy ruins of time
Far past the frozen leaves
The haunted frightened trees
Out to the windy beach

(8) Far from the twisted reach of crazy sorrow
Yes to dance beneath the diamond sky with one hand waving free
Silhouetted by the sea
Circled deep beneath the waves
Let me forget about today until tomorrow
