```
        G              Emi
(1) Come gather 'round people
         C        G
    Where ever you roam
         G        Ami
    And admit that waters
      C             D
    Around you have grown
         G            Emi
    And accept it that soon
              C               G
    You'll be drenched to the bone
                    Ami           D
    If your time to you is worth savin'
                           D7
    Then you better start swimmin'
             G7           D
    Or you'll sink like a stone
           G                  C  D  G
    For the times they are a-changin'

(2) Come writers and critics
    Who prophecies with your pen
    And keep your eyes wide
    The chance won't come again
    And don't speak too soon
    For the wheel's still in spin
    And there's no tellin' who
    That it's naming
    For the loser now
    Will be later to win
    For the times they are a-changin'

(3) Come mothers and fathers
    Throughout the land
    And don't criticize
    What you can't understand
    Your sons and your daughters
    Are beyond your command
    Your old road is
    Rapidly aging
    Please get out of the new one
    If you can't lend your hand
    For the times they are a-changin'

(4) Come senators, congressmen
    Please heed the call
    Don't stand in the doorway
    Don't block up the hall
    For he that gets hurt
    Will be he who has stalled
    There's a battle
    Outside and it's ragin'
    It'll soon shake your windows
    And rattle your walls
    For the times they are a-changin'
```

(5) The line it is drawn
The curse it is cast
The slow one now will
Later be fast
As the present now
Will later be past
The order is rapidly fadin'
And the first one now
Will later be last
For the times they are a-changin'
