    Ami                              G              Ami
(1) As soon as you're born they make you feel small
    Ami                         G          Ami
    By giving you no time instead of it all
    Ami                                 G          Ami
    Till the pain is so big you feel nothing at all

        Ami          G        D          Ami
(R) A working class hero is something to be  (2×)

(2) They hurt you at home and they hit you at school
    They hate you if you're clever and they despise a fool
    Till you're so fucking crazy you can't follow their rules

(3) When they've tortured and scared you for twenty odd years
    Then they expect you to pick a career
    When you can't really function you're so full of fear

(4) Keep you doped with religion and sex and TV
    And you think you're so clever and classless and free
    But you're still fucking peasants as far as I can see

(5) There's room at the top they are telling you still
    But first you must learn how to smile as you kill
    If you want to be like the folks on the hill

(6) If you want to be a hero well just follow me  (2×)
