```
        G                      Emi
(1) Old pirates, yes, they rob I
         C         G         Ami
    Sold I to the merchant ships
    G                         Emi
    Minutes after they took I
    C           G         Ami
    From the bottomless pit

           G              Emi
(2) But my hand was made strong
    C            G             Ami
    By the hand of the Almighty
         G                    Emi
    We forward in this generation
              D
    Triumphantly

                       G    C
(R) Won't you help to sing
           D         G
    These songs of freedom?
           C     D          Emi C
    'Cause all I ever have
      D         G
    Redemption songs  (2×)

(3) Emancipate yourselves from mental slavery
    None but ourselves can free our minds
    Have no fear for atomic energy
    'Cause none of them can stop the time

(4) How long shall they kill our prophets
    While we stand aside and look?
    Yes, some say it's just a part of it
    We've got to fulfill the book
