(1) Early one morning
          F
    With time to kill
      Ami
    I borrowed Jebb's rifle
         F
    And sat on the hill
      C
    I saw a lone rider
    F
    Crossing the plain
      Ami
    I drew a bead on him
       F
    To practice my aim
    Dmi
    My brother's rifle
         G
    Went off in my hand
    A shot rang out
    C
    Across the land
         F
    The horse, he kept running
         Ami
    The rider was dead
      C
    I hung my head
      F
    I hung my head
    C

(2) I set off running
    To wake from the dream
    My brother's rifle
    Went into the sheen
    I kept on running
    Into the south lands
    That's where they found me
    My head in my hands
    The sheriff he asked me
    Why had I run
    And then it came to me
    Just what I had done
    And all for no reason
    Just one piece of lead
    I hung my head
    I hung my head
```

(3) Here in the court house
The whole town was there
I see the judge
High up in his chair
"Explain to the court room
What went through your mind.
And we'll ask the jury
What verdict they find."
I felt the power
Of death over life
I orphaned his children
I widowed his wife
I begged their forgiveness
I wish I was dead
I hung my head
I hung my head

(4) Early one morning
With time to kill
I see the gallows
Up on a hill
And out in the distance
A trick of the brain
I see a lone rider
Crossing the plain
And he'd come to fetch me
To see what they'd done
And we'd ride together
To kingdom come
I prayed for god's mercy
For soon I'd be dead
I hung my head
I hung my head

(I2) I hung my head
I hung my head
I hung my head
I hung my head
