      F                    C
(1) Hey Jude, don't make it bad
         C7                   F
    take a sad song and make it better
      B                        F
    Remember to let her into your heart
              C7               F
    Then you can start to make it better

(2) Hey Jude don't be afraid,
    you were made to go out and get her
    The minute you let her under your skin,
    then you begin to make it better

    F7                        B              Gmi7
(R) And any time you feel the pain, hey Jude refrain,
                  C7             F
    Don't carry the world upon your shoulders
    F7                           B              Gmi7
    For well you know that it's a fool who plays it cool
                C7             F
    By making his world a little colder
           F7          C7
    Da da da da da da da da

(3) Hey Jude don't let me down,
    you have found her now go and get her
    Remember to let her into your heart,
    then you can start to make it better

(R) So let it out and let it in hey Jude begin
    You're waiting for someone to perform with
    And don't you know that it's just you, hey Jude, you'll do!
    The movement you need is on your shoulders
    Da da da da da da da da

(4) Hey Jude don't make it bad,
    take a sad song and make it better
    Remember to let her under your skin,
    then you'll begin to make it better
    Better better better better better oh.

    F        Eb          B               F
    Da da da da da da da da da da da hey Jude ...
